

# **SHADOW EXPERIENCE** **PROGRAM DETAILS**

**The Park Equine Hospital Shadow Experience Program** is intended to give under graduate students the opportunity to experience an equine practice. During this program there will be opportunities to attend morning rounds, observe surgeries, observe emergencies and work side by side with our licensed technicians. Our Shadow Program will expose students to different fields of veterinary medicine. Program details will be designed on an individual basis to meet the needs of each accepted student.

## ***Program Criteria:***

- Qualified applicants must be 18 years of age or older. Exceptions to be made on a case by case basis.
- Applicants must have a career interest in the veterinary field (ie. veterinarian, technician, or assistant). *For those who are simply interested in our clinic, we are happy to schedule a tour of the hospital during regular business hours.*
- Applicants must submit an *official application* and a *letter of intent*, and should coordinate program details with Admissions Committee at [applications@parkequinehospital.com](mailto:applications@parkequinehospital.com). Days and hours will be coordinated on an individual basis.
