Brief Job Description

PEH Veterinary Assistants and Technicians provide exceptional patient care, assist our doctors during physical examinations and diagnostic, medical, and surgical procedures, and administer medications and treatments. Additional responsibilities include patient intake/discharge, billing, patient handling/restraining, client education, basic lab work, accurate record keeping, and organizing/stocking medical supplies. The work schedule may include evenings and weekends. After-hours/emergency shifts are available voluntarily.

PEH Mission...*We are committed to providing comprehensive, compassionate, and personalized care focused on excellence, integrity, and respect while continuing to educate ourselves as individuals and as a team. We value and appreciate our team members, clients, and communities and strive to establish longstanding relationships with all.*
